BSE/TSE Statement

Povidone, Crospovidone, Copovidone

Please be advised that the following products manufactured by Ashland Specialty Ingredients (ASI) are synthetic based polymers.

Plasdone™ povidone
Plasdone™ copovidone
Polyplasdone™ crospovidone

ASI neither uses nor has any reason to suspect that these products come into contact with or contain bovine, caprine or ovine-derived materials or chemicals in either the components or the process used for manufacture, nor do they come in contact with animal products during storage or shipment. As such, there is no concern about these products containing BSE (Bovine Spongiform Encephalopathy)/TSE (Transmissible Spongiform Encephalopathies) specified risk material as defined in the European Commission Regulation (EC) No 999/2001, EMA/410/01 Rev 03 and current EU legislation.
